

KERILENG SOKE

WeThinkCode_ Student

As a woman in tech, my journey in this realm is propelled by an insatiable hunger for learning and an innate drive to unravel the complexities of computer systems. I thrive on challenges, relishing the process of problem-solving, and embracing the continuous evolution within the tech sphere. With proficiency in Python, Java, SQL, Git, APIs, and systems integration, coupled with strong communication skills, I'm committed to honing my abilities to craft innovative solutions that redefine possibilities. I'm eager to connect, collaborate, and contribute to the ever-evolving landscape of technology.
